

The Pomfret Proprietors Association Scholarship

January 18, 2010

To: Chairperson of the Guidance Department

The Pomfret Proprietors Association was formed in 2006 to provide greater visibility to businesses located here. Our goal is to network and support each other as small business owners and to support our community with events, scholarships and the like.

We are offering two \$500 scholarships to high school seniors who reside in the town of Pomfret and intend to pursue a career in business. We are looking for students who show extraordinary promise in the field of business, demonstrated through class room work and real life entrepreneurial/business efforts, exhibiting the skills needed to succeed in business today.

Each applicant must be a high school or preparatory school senior and receive acceptance into an accredited program of further education which includes business/entrepreneurial skill development.

The application period begins on Monday, February 8, 2010 and ends on Friday, April 3, 2010.

The scholarship winners will be notified on or before May 15, 2010 by telephone and by a letter of confirmation. The scholarship awards will be presented at the winning students' Awards Night held at his or her respective high school.
